# An Afternoon Found Nowhere Else

For one afternoon, Scenic Rivers Land Trust is accessing a remarkable place that few people have the chance to experience.

Nestled among protected forests and fields, Feast on the Farm invites guests to gather at the privately conserved Mas Que Farm for an unforgettable celebration of conservation, community, and local food.

Guests will enjoy handcrafted cocktails, locally produced wines and craft beers, guided walks across the permanently protected landscape, live music, and a family-style feast prepared by the acclaimed culinary teams at Garten & Preserve.

More than a dinner, Feast on the Farm is an invitation to experience firsthand what land conservation makes possible. Every sponsorship secured and every ticket purchased helps Scenic Rivers conserve the forests, farms, wetlands, and natural areas that sustains our community. Forever.
